Made for iPod
M812

CLEAR, POWERFUL SOUND

100 WATTS Continuous Power

200 WATTS Peak Power

GREAT SOUND FOR YOUR iPod, EVEN IF IT'S NOWHERE IN SIGHT.

Get brilliant sound for your iPod from up to 100 feet away with the new M812 wireless home system. Put your music where you want it, on a wall, a table, anywhere at all, and control it using the M812 remote. This advanced remote can even learn to control your CD player or other sound source. Two responsive, 4-inch woofers and 1-inch silk dome tweeters, along with a room-filling 100 watts of digital power, drive the M812's clear, powerful sound. You can completely "unwire" your music by adding an optional speaker in a second room. And it even includes a built-in FM tuner.

Best In Class Audio
Digital amplification delivers powerful, crystal-clear sound. Just listen and compare!

Surprisingly Deep Bass
Bass-enhancement technology creates deep bass without a subwoofer.

Wireless Convenience For Your iPod
Leave your iPod in its most convenient location and set up your speaker system anywhere in the house! Omni-directional 2.4 GHz technology delivers clear, accurate sound through walls, floors and ceilings up to 100 feet away.*

Transmitter Base with Universal Dock
Recharges iPod.

Elegant, Wall-mountable Design
Removable base and included wall-bracket make wall-mounting easy.

Full-featured Remote
iPod, FM radio, and speaker functions are at your fingertips. The remote can even control CD players and other devices** connected to the additional input. Just sit back and enjoy!

Additional Input
Connect a CD player or MP3 player in addition to your iPod. The M812 turns any audio device into a powerful sound system that everyone can enjoy.

*Omni-directional 2.4 GHz technology delivers clear, accurate sound through walls, floors and ceilings up to 100' feet away (Actual distance may vary.)
**Compatibility with M812 learning wireless remote will depend on the device. For more information, see device owner's manual.
